Greetings to you,

As a woman in leadership following her passions we'd like to partner with you, provide networking as you partner with us to bring "**Women by Intentional Design**" to the Lynnwood Convention Center, May 20, 2011, a forum for today's leaders to come together and get equipped for the call.

Founded by Marlee Huber and Cheryl Dore, **Womens Leadership Advantage** is academic, experiential and relational in its approach to empowering women. Our first conference, **Inspiring Women**, held May 2010, proved to be immediately beneficial, creating momentum, offering hope and support for women to step into potential. Session topics this year cover multiple facets of the gift of every woman. They will be relevant to women desiring to uncover and develop the purposes of God for her in business, ministry, and life. Through life coaches, peer mentoring, and the experience of women like you, women are empowered for leadership in various capacities.

Please take this opportunity to visit our web site to get acquainted with our mission. Consider partnering with us as a sponsor at one of the levels listed below (*Limited to Christian women in ministry/business whose work supports the mission of WLA*). Please inquire with Marlee Huber concerning this opportunity: marlee@marleehuber.com.

Once approved send your contribution to: Womens Leadership Advantage, 7605-137th AVE. SE, Snohomish, WA 98290. Be sure to include your business name as you'd like it to appear on printed material and a high resolution jpg. of your business logo. Or email to: cheryl_dore@msn.com. Your sponsorship and work as a leader in our community is greatly valued.

Sincerely,

Marlee Huber and Cheryl Dore, Co-Founders
